**ASSIGNMENT OF LEASE AND AGREEMENT**, dated as of and effective as of April 10, 1981 (hereinafter called the "Assignment"), by and between **ITEL CORPORATION**, a Delaware corporation (together with its successors and assigns, being hereinafter called "Itel"), and **FIRST SECURITY BANK OF UTAH, N.A. as Trustee**, a national banking association, incorporated and existing under the laws of the United States of America (hereinafter called the "Trustee").

**WHEREAS**, Itel and the Trustee have entered into an Equipment Trust Agreement, dated as of November 1, 1978 (such Equipment Trust Agreement, together with any amendments or supplements thereto, being hereinafter called the "Agreement"); and

**WHEREAS**, Itel and the Providence and Worcester Company (hereinafter called "P&W") entered into a lease of Equipment (as defined in the Agreement), dated as of September 1, 1978 (such lease, together with any amendments or supplements thereto, being hereinafter called the "P&W Lease"), providing for the leasing by Itel to P&W of certain units of the Trust Equipment (as defined in the Agreement); and

**WHEREAS**, the P&W Lease may also cover the leasing to P&W of other Equipment not included as part of the Trust Equipment; and

**WHEREAS**, in order to provide security for the obligations of Itel under the Agreement, Itel assigned to Trustee for security purposes all of Itel's rights, title and interest in, to and under the P&W Lease as and only to the extent that the P&W Lease relates to the Trust Equipment by means of six documents, each entitled Assignment of Lease and Agreement, three of which are dated December 28, 1978, two of which are dated March 22, 1979 and one of which is dated September 1, 1978; and

**WHEREAS**, by an agreement dated as of September 12, 1980 (hereinafter called the "Agency Agreement"), P&W appointed Itel as its agent, with respect to certain units of Trust Equipment under the P&W Lease, bearing reporting marks PW 105301-105600 and PW 105701-105800, (hereinafter the "Agency Equipment") to enter into one or more sublease agreements with third parties covering some or all of the Agency Equipment; and

**WHEREAS**, under the Agency Agreement, as clarified by letter (hereinafter the "Fee Letter") from P&W to Itel, dated September 12, 1980, Itel shall receive all rentals generated by the Agency Equipment pursuant to any sublease agreement as a fee for acting as P&W's agent; and

**WHEREAS**, the Agency Agreement operates to assign to Itel; (1) certain rights under the P&W Lease which would otherwise accrue to and only to P&W, including, inter alia, rentals reserved to the P&W, and (2) certain rights under the P&W Lease which would otherwise ultimately accrue to Itel as lessor under the P&W Lease, including, inter alia, rentals to be paid under the P&W Lease; and in order to (a) more specifically identify the existing security for the obligations of Itel under the Agreement as previously assigned by means of the six documents described above, and (b) provide further security for the obligations of Itel under the Agreement, Itel, by means of a

document entitled Assignment of Agreement dated as of January 8, 1981, assigned for security purposes only its rights in, to and under the Agency Agreement, including, but not limited to, its rights to act as P&W's agent and receive rentals generated by the Agency Equipment, to the Trustee as and only to the extent that the Agency Agreement relates to the Trust Equipment; and

**WHEREAS**, pursuant to the Agency Agreement, Itel, as agent for PW, subleased two hundred eighty-five (285) units of the Agency Equipment to the Southern Pacific Railway Company and St. Louis Southwestern Railway Company (hereinafter collectively called "SP") by means of a sublease dated February 25, 1981 (such sublease, together with any amendments or supplements thereto, being hereinafter called the "SP Sublease"); and

**WHEREAS**, Itel, as agent for PW, changed the reporting marks on the Agency Equipment subject to the SP Sublease to the SP reporting marks set forth on Annex I hereto, and also temporarily changed the AAR mechanical designation of said Agency Equipment from FC to FMS; and

**WHEREAS**, pursuant to Section 2 thereof, the SP Sublease has expired with respect to said Agency Equipment; and

**WHEREAS**, pursuant to the Agency Agreement, Itel, as agent for PW, subleased two hundred nineteen (219) units of the Agency Equipment formerly subleased to SP under the SP Sublease, to the Atchison, Topeka and Santa Fe Railway Company (hereinafter called the "Sublessee") by means of a sublease entitled "Lease Agreement" dated May 14, 1982 (such sublease, together with any amendments or supplements thereto, being hereinafter called the "Santa Fe Sublease"); and

**WHEREAS**, Sublessee changed the reporting marks of the Agency Equipment subject to the Santa Fe Sublease (said Agency Equipment being hereinafter called the "Flatcars") to the SFLC reporting marks set forth on Annex I hereto; and

**WHEREAS**, the AAR mechanical designation of the Flatcars will be changed from FMS to FC; and

**WHEREAS**, the Santa Fe Sublease may also cover the subleasing to the Sublessee of equipment other than the Flatcars; and

**WHEREAS**, in order to continue to provide security for the obligations of P&W under the P&W Lease and the Agency Agreement, as clarified by the Fee Letter (hereinafter the "Clarified Agency Agreement"), P&W has assigned to Itel, for security purposes only, P&W's rights in, to and under the Santa Fe Sublease as and only to the extent that the Santa Fe Sublease relates to the Flatcars, by way of a document entitled Assignment of Lease and Agreement, of even date herewith (hereinafter the "P&W Assignment"); and

**WHEREAS**, in order to continue to provide security for the obligations of Itel under the Agreement, Itel agrees to assign for security purposes only, its rights in, to and under the Santa Fe Sublease and the P&W Assignment to the Trustee as and only to the extent that the Santa Fe Sublease and the P&W Assignment relate to the Flatcars.

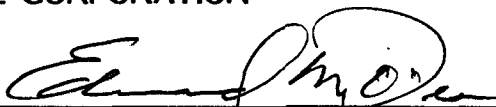

**NOW, THEREFORE**, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Itel hereby assigns, transfers and sets over unto the Trustee, as collateral security for the payment and performance of Itel's obligations under the Agreement, all of Itel's right, title and interest, powers, privileges and other benefits under the Santa Fe Sublease and the P&W Assignment as and only to the extent that the Santa Fe Sublease and the P&W Assignment relate to the Flatcars set forth in Annex I hereto, including, without limitation, all rights to receive and collect all rentals, profits and other sums payable to or receivable by Itel from the Sublessee under or pursuant to the provisions of the Santa Fe Sublease and the P&W Assignment to the extent that the same are payable in respect of such Flatcars, whether as rent, casualty payment, indemnity, liquidated damages or otherwise (such monies being hereinafter called the Payments); **PROVIDED, HOWEVER,** that until an Event of Default under the Agreement, or any event which, with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that Itel shall be entitled to collect and receive all such Payments and to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Santa Fe Sublease and the P&W Assignment, and to apply all Payments to which Itel is entitled to the payment of any and all of Itel's obligations under the Agreement and to retain the balance, if any. In furtherance of the foregoing assignment, but subject to the foregoing provisions of this paragraph, Itel hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of Itel or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which Itel is or may become entitled under the Santa Fe Sublease and the P&W Assignment, and to enforce compliance by the Sublessee with all the terms and provisions thereof. Whenever the Santa Fe Sublease covers other equipment not included as part of the Trust Equipment and the amount of any payment due to Itel under the Santa Fe Sublease as car hire payments (including both straight and incentive per diem), mileage charges or other rental revenues is calculated on an aggregate basis for all equipment subleased thereunder, for the purposes of this Assignment an amount equal to the Assigned Fraction (as hereinafter defined) of each such payment shall be deemed to be payable with respect to such Flatcars subleased under the Santa Fe Sublease. The term "Assigned Fraction" as used herein shall mean a fraction the numerator of which shall be the number of units of equipment comprising such Flatcars subleased under the Santa Fe Sublease and the denominator of which shall be the aggregate number of units of equipment (including such Flatcars) at the time subleased under the Santa Fe Sublease.
2. This Assignment is executed only as security for the obligations of Itel under the Agreement and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify, the liability of Itel under the Santa Fe Sublease and the P&W Assignment, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of Itel to the Sublessee shall be and remain enforceable by the Sublessee, its successor and assigns, against, and only against Itel or persons other than the Trustee.

  - (c) Should Itel fail to make any payment or to do any act which this Assignment requires Itel to make or do, then the Trustee, but without obligation so to do, after first making written demand upon Itel and affording Itel a reasonable period of time within which to make such payment or do such act, but without releasing Itel from any obligation hereunder, may make or do the same in such manner and to such extent as the Trustee may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Trustee, and also the right to perform and discharge each and every obligation, covenant and agreement of Itel contained in the Santa Fe Sublease and the P&W Assignment; and in exercising any such powers, the Trustee may pay necessary costs and expense, employ counsel and incur and pay reasonable attorneys' fees, and Itel will reimburse the Trustee for such costs, expenses and fees.
- 4. Upon the full discharge and satisfaction of all of Itel's obligations under the Agreement and this Assignment, all rights herein assigned to the Trustee shall terminate, and all estate, right, title and interest of the Trustee in and to the Santa Fe Sublease and the P&W Assignment shall revert to Itel.
  - 5. Itel will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure, the interests of the Trustee hereunder.

If an Event of Default shall occur and be continuing under the Agreement, the Trustee may assign all or any of the rights assigned to it hereby or arising under the Santa Fe Sublease and the P&W Assignment, including without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder. The Trustee will give written notice to Itel and the Sublessee of any such assignment.
  - 7. This Assignment shall be governed by the laws of the State of Utah, but the parties shall be entitled to all rights conferred by the laws of the United States permitting filing with the Interstate Commerce Commission.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
